## Clarification of Adult Dental Services Provided at Federally Qualified Health Centers and Rural Health Clinics

Bulletin [Volume 30, Number 7](#) was released in April 2014 erroneously stating that, effective May 1, 2014, services provided to beneficiaries ages 21 and older at a FQHC or RHC would be limited to those restored adult dental services pursuant to [AB 82](#). The above mentioned bulletin has been rescinded. Instead, the Department of Health Care Services (DHCS) will continue to abide by the *California Association of Rural Health Clinics v. Douglas* (CARHC) Ninth Circuit decision for FQHCs and RHCs. As such, dental services provided in FQHCs and RHCs will remain unchanged.

Please contact the Provider Customer Service line at 1-800-423-0507 if you have any questions related to the scope of dental benefits in the Medi-Cal Program. For billing questions, please contact the Medi-Cal Telephone Service Center at 1-800-541-5555. For border providers and out-of-state billers, please contact (916) 636-1200.
