LEGEND:

Initial call campaign is complete.

* LIBERTY #'s include CDS transitioned members.

If a section is marked n/a it means the plans did not capture information during the reporting period.

NOTES:

- All calls made were to beneficiaries under 21 who had not had an appointment within the last 12 months.
- All Plans are going to continue with a call campaign.

Report is a roll-up of data since the beginning of the Outbound Call Campaign.

BEST PRACTICES:

- The Customer Service Representative (CSR) was able to provide focused/ one-on-one assistance for members who had concerns and needed appointments.
- CSRs were able to educate the members with small children regarding 1st birthday/1st tooth and the importance of the dental home.
- Bilingual representatives to make the calls.
- Making calls during the day, rather than after hours, was helpful when conducting 3-way calls to schedule appointments with dental offices.
- Developing scripts for the CSRs to follow when introducing the subject to the member.
- Following up with members, who were initially unavailable, helped to increase utilization.

December data is due to DHCS 1-7-13.
